## Green is The Color

Written by Peter Yates

Well the city's been so quiet  
Since boys in Green went back  
But it only took them three months  
To put Portland on the map

Yes the stadium's never heard the sounds  
Of cheers in all its years  
When the players come on field  
The thousands singing in their ears

Green is the Color  
Soccer is the game  
We're the Portland Timbers  
And winning is our aim  
So let's give all of the boys a cheer  
For the Portland Timbers will be here

Now the stadium's dead without them  
The cobwebs start to fall  
Still the fans sit there waiting  
For their Timbers to return

In the Taverns on the weekend  
You can hear them from afar  
Singing praises to their Timbers  
As they're lifting up their jars

Green is the Color  
Soccer is the game  
Were the Portland Timbers  
And winning is our aim  
So let's give all of the boys a cheer  
For the Portland Timbers will be here

You ain't got to be 200 pound  
Or a giant at 7'3"  
To play this game called soccer  
Which is growing rapidly.

You can hear it on a radio  
You'll see it on TV  
You can join the **Timber's Army**  
Let everybody hear you **SCREAM**

Green is the color  
Soccer is the game  
We're the Portland Timbers  
And winning is our aim  
So let's give all of the boys a cheer  
For the Portland Timbers will be here

So let's give all of the boys a cheer  
For the Portland Timbers will be here
